In your work or your life, what is something you are looking forward to in 2022?

# Bay Engaged Working Groups

1. **Vaccine Equity:** Focused on raising awareness and creating tools for those working to address vaccine equity in CA.
  - a. [A tool for funders](#) - Vaccine Equity in California: Funders Consejo
  - b. [An op-ed](#) - Time to End the Pandemic in the Latinx Community is Now
  - c. [A blog post](#) - Investing in Latino-led Organizations Like our Lives Depend on It
2. **Movement Building:** Focused on how to encourage organizing not just within our Latine community but across communities of color. Efforts aimed to highlight groups in the Bay Area working across different communities (Latine, Black, API, + Tribal) to shape shared agendas and build power.
3. **Funder's Pledge:** Developed a funder pledge encouraging increased investment in the Latine community. Signed by several foundations already, BE will be supporting and engaging with those who sign it to identify barriers and highlight successes.
  - a. [Link to Pledge](#)

# Bay Engaged Year 2

February 10th: Ecosystem Mapping/Relationship Action Plan/Asset Mapping

What are the resources in the network? How do we build leadership and collaborative action from the network for community?

April 7th: Multi-Racial Power Building with LREP

How do we build a multi-racial network and multi-racial power building work?

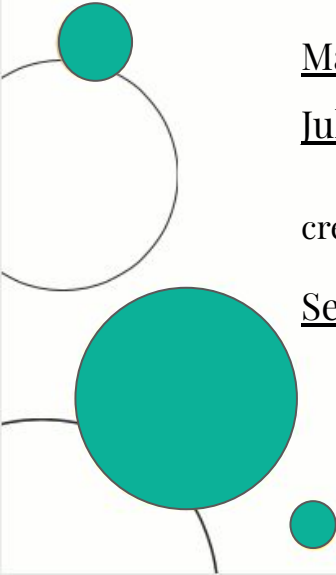

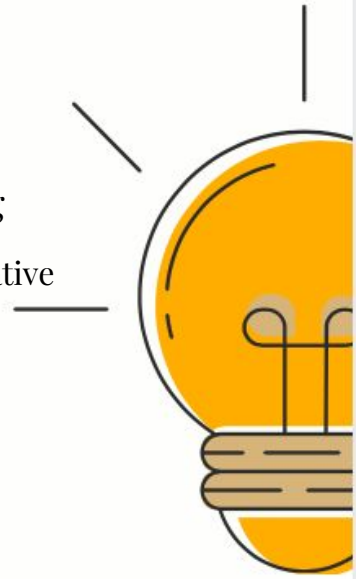

May 10th: Potential in person event with partners in the field

July 14: Professional Development session for the network

How to survive as Latinx leader in philanthropy? How to build new leaders? How to create peer to peer mentoring in the Bay Area?

September 15: In person closing Retreat

Reflections, community building, and designing for the future.
